Forum

04 Books
'Peter Salter: Walmer Yard'

06 Books
'Boom Cities': Helen Goodwin enjoys a timely and fascinating appraisal of politics and the visionary architect-planners of the 1960s

10 Learning from
Praise and criticism both revealed how architectural intentions can be misconstrued, but prompted me to seek work where they can be clearly expressed, says

12 Research
Biotechnology is the future for architecture, and it starts now, says Martyn Dade-Robertson

Works

14 Report – Bridges
Artist Leo Villareal and Lifschutz Davidson Sandilands illuminate four Thames crossings

26 Report – Bridges
Ezra Groskin enjoys the view at the new Tintagel Footbridge, designed by William Matthews Associates and Ney & Partners

26 Report – Bridges
A new Thames footbridge by Knight Architects is conceived as both a crossing point and a local destination

28 Building
Maich Swift Architects' Potemkin Theatre is a performance venue but the structure is the star, finds Clementine Blakemore

34 Building
Stanton Williams has completed a major component of the North-West Cambridge urban extension: ten housing blocks set around a diverse array of landscaped courts. Ian Latham reports

Focus

48 Energy & Sustainability
Clare Murray admires the Passivhaus-certified Goldsmith Street social housing scheme in Norwich, designed by Mikhail Riches and Cathy Hawley

56 Energy & Sustainability
A pavilion commissioned by AT for a sustainability exhibition has long outlived its original use. David Grandorge – who led its design and construction – explains what happened next

My Kind of Town

64 Holly Lewis
Hanoi shows that alternative forms of city living are possible
