Reflections on the picturesque
Yusti Herrera of Ian Chalk Architects explains how revisiting historic methods of reading the landscape informed the practice's approach to building a new house on the Cornish coast

12
Ukraine: call for support
Oleg Drozdov and Iryna Matsevko from Ukraine's Kharkiv School of Architecture talk to Robert Mull about their plans for the future and how the UK architectural community can help

14
Still standing
Ian Volner revisits Gunnar Asplund's idiosyncratic masterwork: Stockholm Public Library

16
Shopping for health
ADP's Hannah Brewster makes the case for relocating hospital outpatient services to empty retail spaces on the high street

19
Learning from Stalin's architect
Deyan Sudjic explains how the story of Boris Iofan, Stalin's state architect, shows the dangers of coming too close to power

22
Research: exploding the myths
Kat Martindale debunks the misconceptions that prevent architectural practices from undertaking research

24
In practice
Jennifer O'Donnell photographed by Timothy Soar

26
Ralph Allen School
Wendy Perring reflects on the skilful design moves behind Feilden Fowles' latest additions to a 1950s secondary school in Bath, and the importance of trust between architect and client

40
A House for Artists
Frances Holliss applauds the ingenuity and courage of Apparata's affordable studio apartment complex for artists and their families in London

54
Lovedon Fields
Steve Webb gives his verdict on John Pardey Architects' village extension of 50 mixed-tenure homes in Kings Worthy, Hampshire

68
Bathroom of the future
Nimtim Architects has won an invited competition, organised by Geberit and AT, to design an inspirational and functional family bathroom measuring just six square metres in size

76
Research case study: Tonkin Liu
Kat Martindale looks at the way Tonkin Liu uses research, including physical model making and digital modelling analysis, to inform its built work

82
Ask the expert: brick
Patrick Lewis from the Brick Development Association answers readers' questions about bricks

84
Materials library
Assemble co-founder Maria Lisogorskaya discusses the collective's approach to combining bespoke materials and finishes with off-the-shelf products
