

2017 Turkish Scholarships Graduate Program Applications

Código de Beca:	435
Nombre:	2017 Turkish Scholarships Graduate Program Applications
Descripción:	Applications are exclusively intended for candidates from all over the world who want to pursue Master and PhD studies in Türkiye. Applications for undergraduate programs will be opened at a later date. Applications will only be accepted through the application system at www.turkiyeburslari.gov.tr website, where candidates will fill in the information and upload their documents as requested. There are no institutions or individuals authorized to perform applications for Turkish Scholarships on behalf of candidates; all candidates must apply in person. Candidates are strongly advised to carefully read the instructions and warnings provided by the application system. Candidates are required to meet the qualifications (GRE, GMAT, TOEFL, DELF, YDS, ALES, etc.) set by the universities and departments that can be selected through the application system. Candidates who do not have the required documents will not be considered for the scholarship. The application system will automatically display the universities and departments that candidates can choose from according to their academic background. Candidates will not be able to select any universities and departments other than those provided by the application system.
