

Seminar on Construction and Management of Inland Development Zones for Developing Countries

Código de Beca:	1131
Nombre:	Seminar on Construction and Management of Inland Development Zones for Developing Countries
Descripción:	<p>Jiangxi College of Foreign Studies, established in 1964, is the only Foreign Language and International Trade teaching public professional college endorsed by the People's Government of Jiangxi Province. It is subordinated to the Department of Commerce of Jiangxi Province. In 1991, the college has been designated as "The International Economic and Foreign Trade Personnel Training Center" by the UNDP, with the aim to equip numerous professionals with advanced English language skills and rich foreign trade knowledge for the southern region of China. The college has been made "Jiangxi Province Open-Economy Intelligence Training Center" in 2006 by the People's Government of Jiangxi Province. It is also designated by the Ministry of Commerce of the People's Republic of China as one of the large scale training bases for the leading cadres of the business administrative authorities from the prefecture-level cities in China. In 2009, the college has been listed as the co-developed college of the People's Government of Jiangxi Province and the Ministry of Commerce of China and also the first batch demonstrative higher vocational college with approved projects of Jiangxi province. In July 2017, the college was awarded one of the Top 50 Higher Vocational College of International Influence of China.</p> <p>The college consists of 10 teaching departments and has 55 majors such as International Business, Electronic Business and International Engineering, including 11 different language majors: English, Japanese, German, Korean, French, Arabic, Spanish, Portuguese, Russian, Italian and Persian. There are 700 teachers, among which 129 are with senior professional title, 21 are PhDs. Meanwhile 19 foreign teachers are employed and 197 skilled experts and visiting professors serve as part-time staff.</p> <p>In May 2010, the college was granted as the first batch of "MOFCOM Training Bases for International Business Officials" by the Ministry of Commerce, and has successfully organized 112 foreign-aid training programs sponsored by the Ministry of Commerce until the end of 2017. 2904 International Business Officials from 124 developing countries have been trained here.</p>

Ofrecimiento N° 1131.1

Nombre ofrecimiento: Seminar on Construction and Management of Inland Development Zones for Developing Countries

Información específica: Entrusted by the Ministry of Commerce of the People's Republic of China, Jiangxi College of Foreign Studies is to host the "2018 Seminar on Construction and Management of Inland Development Zones for Developing Countries" from 5th May— 25th May 2018, which will be conducted in English and will last for 21 days.

The course will adopt discussion-based teaching, case studies and interactive model, while stressing the integration of teaching and practice. The seminar will be well-focused on the following topics: Industrial Cluster Development & Innovation in Inland Development Zones, Investment Promotion of Inland SEZs: Incentives and Experiences from China, Port Construction and Management in Inland Regions, The Situation, Problems and Solutions for the Management of Inland Development Zone in China, The Construction & Management of China's Inland Export Processing Zone, The Government's Role in the Management of Economic Development Zones, etc.

In addition to lectures and discussions, trips to Nanchang National High-tech Industrial Development, Chengdu City of Sichuan Province, Shanghai City, Jingdezhen City of Jiangxi Province and Wuyuan County of Shangrao City will be organized, which will allow participants to experience personally the achievements made by China since the Chinese reform and opening-up policy. We will discuss and communicate on the subject of construction and management of inland development zones, share Chinese successful experience and exhibit our achievement in the field during the seminar. Meanwhile, the seminar will build up an exchange platform among officials from developing countries for further deepening mutual friendship and promoting international exchange and cooperation.
