

## WHERE

## STORIES

**8**

- Americas
- Europe

**12**

- Middle East
- Africa

**14**

- Asia & Pacific

**18** POLITICS

- A new direction for a better world
- Shared languages
- Where decisions are made
- Leave no one behind
- A futuristic vision of SDGs

**28** FROM THE BORDERS

- Beyond the barriers
- A shared heritage
- Design from peace
- When words matter

**40** URBAN VISION

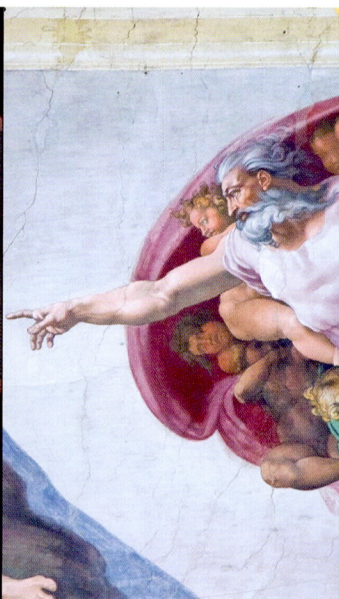

- A new idea of city
- Making of himself a designer of conversations
- Measuring the design power of city
- Livability for citizens
- The revolution of software-defined vehicles
- Straight to people's doors

**54** ASSOCIATIONS

- Organizations in action
- Unesco Cities of design for an easier and more worth living life
- Catalysts of social transformation
- From ICSID to WDO: dreaming big about our vision
- How China has become a hub for creativity
- Shaping the Future

## TOOLS

### 66 FOR CIRCULARITY

- The circle of life (without restricting the creative process)
- A key to accelerate the transition
- A strategy to build long-term capabilities
- Design without industry is but the ruin of art

### 74 EDUCATION

- Destruction of the visible and creation of the invisible
- In Africa, the goal is decolonisation

### 82 AI & TECHNOLOGY

- The creation of a bomb for good
- Embracing our core role as systems thinkers
- Creation Vs Machine Learning
- If AI designs your life, is it still a life you love?

### 92 Architecture against poor housing conditions

### 93 People with disabilities help to control extinction of coral

### 94 Eating 3D-printed meat and fish

### 95 A new skin for the facade of buildings

### 96 A psycho-social approach to change travel behaviour

### 98 Implementing Circular Design

### 99 A panoramic home for the elderly

### 100 Disarming ideas

### 101 A reserve of biodiversity
