San Gerolamo en su estudio / Antonella Da Messina

A painting of a bedroom interior. A large bed with a dark wooden headboard and footboard is covered with a white, fringed bedspread. A light brown dog is curled up and sleeping on the right side of the bed. The bed is positioned against a dark, textured wall. Above the bed, there is a small, square window with a dark frame, divided into six panes. The window looks out onto a snowy landscape with bare trees. The lighting is soft, coming from the window, creating a calm and quiet atmosphere.
